This year the Templeton Rotary Club and Templeton CSD will be joining forces with the Templeton Chamber to collect non-perishable food and new toys (youth ages 1-17) for the 19th Annual Templeton Holiday Food and Toy Drive. This program assists our local families and/or neighbors that may need an extra helping hand during the holiday season – due to unexpected hardships. Templeton residents are encouraged to pitch in and share a little holiday spirit to make someone else’s holiday season brighter.
