Templeton Middle School
Halloween Costume Rules

Students may wear Halloween costumes on Friday, October 31st as long as the following guidelines are followed:

1. No dangerous objects or weapons (pretend or real).

2. No unnatural hair color unless you are in costume. Non-permanent hair color is permitted but should be applied at home. No containers of hair color will be permitted on campus.

3. No gory costumes or bloody make up. Face paint or a mask that covers the face is not permitted.

4. All parts of your body normally covered by school clothes should be covered by your costume. The TMS dress code still applies.

5. Any costume that may offend or make fun of someone will not be permitted.

6. If you are not sure whether something is in compliance with the aforementioned policy, you probably should not wear it.
